Fundraiser to Support Cambridge Cardiac Rehabilitation Exercise-A-Thon

Cambridge - Many of us have New Year's resolutions to get fit and lose weight, and here's a special fundraising event that will support this and raise money for much needed equipment for cardiac rehabilitation equipment. Sign up on site for classes like PX90, Yoga, Zumba, and Kick Boxing; have fun and support this important fundraiser.

Join Mayor Craig, Councillor Karl Kiefer along with community VIPs at Dr. Pandey's Exercise-A-Thon.

Saturday, January 25th from 7:00am – 7:00pm. Mayor Craig and Councillor Kiefer are expected to take part around 9:00am.

Cambridge Cardiac Care Centre, 150 Hespeler Road, Cambridge

Cardiac Rehabilitation patients need equipment to help them with their recovery. The money raised will support the purchase of things like treadmills and recumbent bikes to provide an environment of rehabilitation and socialization for patients.
